

BRODO GARUM

re.garum

PRODUCT DESCRIPTION

A **highly concentrated stock** that delivers the **essence** and **nutritional richness** of a traditional, hours-long cooked broth **in seconds**. The **strong concentration** (300 g of raw materials, including beef, chicken, and vegetables, per 100 g of final product) unfolds an **enveloping aroma** and an intense, hazelnut-brown color when diluted (8–10 % in hot water). The valuable proteins visibly coagulate, thereby creating **the texture** and **visual effect** of an **authentic, rich meat broth**.

KEY FEATURES:

-  **INSTANT TASTE** – Meet your new chef de partie
-  **CLEAN LABEL** – No artificial preservatives or additives
-  **UMAMI UNLEASHED** – 6 x more umami than intensive soy sauces
-  **100 % NATURAL**
-  **SALT REDUCTION** – Halve your use of salt, without compromising in taste
-  **PERFECTED FERMENTATION** – No unwanted acidity, a flawlessly balanced taste experience of up to 2 minutes.
